UU NINTH GRADE TRIP  
RESEARCH / HOPIS II (Yellow)

This assignment will introduce you to the Hopi. Go to the sites noted and find answers to the following questions. Look around while you are at the website.

This assignment is due at the December Class. It may be emailed to Mitch before the class at [homework@uu9gt.org](mailto:homework@uu9gt.org).

On the www, go to [www.nau.edu/~hcpo-p/](http://www.nau.edu/~hcpo-p/) At the Table of Contents, click on General Information on Hopi Culture and People, and then click on Hopi Traditional Knowledge. Find the answers to these questions:

Hopi traditional knowledge begins with what story?

What does the Hopis getting the smallest ear of corn from Ma'saw symbolize to them?

Click on More about Hopi Culture, then on Hopi Agriculture, then on Hopi Agriculture/Ceremonial Cycle.

What agricultural tasks and ceremonies are associated with late March and April?

Return to Home Page. Click on Visitor Information, then on The Three Mesas.

When was the village of Walpi established?

Which is said to be the first of the all Hopi villages?

What is the oldest continuously inhabited village in the United States?
