
The Front Range UU Churches Ninth Grade TRIP

Volume 44 Issue 1

October 2007

HELLO

HELLO -- Trippers, Parents, RAs, DREs, and Steering Committee Members

(he-lo') 1. an exclamation of greeting or of response, as in telephoning. 2. an exclamation to attract attention. 3. an exclamation of astonishment or surprise.

The dictionary goes on to show the word pronounced (hel'-lo'), with emphasis on both syllables. In this form, it has become an important part of many 9th Grade Trips. It is a way to get the attention of the group, or of an individual. When you hear / see the word H E L L O it means that information YOU need and want to know is coming your way!

A few more words on "in" terms:

RT = Responsible Tripper

RA = Responsible Adult

PC = Parent Coordinator

DRE = Director of Religious Education

MRE = Minister of Religious Education

SP = Special Parents -- all of YOU! without whom the Trip would not be possible.

This is the first newsletter of the 44th Annual trip. THESE NEWSLETTERS ARE IMPORTANT...GATHER THEM AND MAKE SURE THAT ALL RTs AND SPs IN YOUR HOUSEHOLD SEE THEM! Please put them by the phone, or on the fridge, or wherever important-can't-be-lost- stuff goes.

With the mailed version of this letter we will send a roster. We do not know the names of all PC's but I know the DREs will appreciate any volunteers. Look over the roster, and set up car pools for the next classes. Often, you will find that members of different churches live near each other - that's OK, car pools are not church-specific, any more than the trip is. We will update the roster as things change.

FEES DUE

FIRST FEE INSTALLMENT WAS DUE BY October 16! Checks for \$100 should be made out to "UU 9th Grade Trip" and mailed to Mitch Pingel, 275 Main St, Broomfield, CO, 80020. PLEASE SEND TO MITCH IMMEDIATELY IF YOU HAVEN'T ALREADY PAID

Classes Begin

Classes begin at different times. BE SURE TO PAY ATTENTION TO THE SCHEDULE, AND TO THE NEWSLETTERS. If you are an SP and it's your turn to drive, relax and enjoy the service at the church, and collect your crew of RTs after coffee. We schedule classes and activities at most of our participating churches, so the RTs learn about the other congregations that make up our local UU community, and to even out the driving.
